There shall be no supplemental nomination or declaration to these events.

Declaration: All declarations for these events will close at the time and date designated on the condition sheet at the Host Track. Declaration fee shall be due at the time of declaration and payable before the horse starts. Declaration fees should be made payable to the Host Track. There are no refunds for scratched horses.

At the time of declaration, horses declared to race in these events must have a past performance line that meets the current qualifying standard for stakes and/or added money races at the Host Track. Payments collected and the Added Money shall constitute the purses for these events. Payments to this stake do not grant eligibility to any other stake and any "Point Earning" race will require the horse to be made eligible to that stake separately by making any and all payments required for that stake. TVG Championships are restricted to TVG eligible horses, winners of races listed below and invited foreign based horses.

Eligibility for Final: To start in the TVG FFA Championship Series Finals, horses must be declared with the Racing Office by the time posted on the condition sheet. The maximum number of starters in the Series Final(s) shall be equal to the number of positions on the starting gate of the Host Track with the exception described below. To be guaranteed eligibility for the Final(s), a horse must start in no less than half (50%) of the preliminary legs scheduled in their Series division. The Meadowlands reserves the right to invite the winner(s) of the races in the order listed below to race in the Finals to reach the maximum number of starters.

In addition, a foreign-based horse may also be invited to race in any of the TVG Finals. If the invitation to the foreign-based horse is accepted, the field for the TVG Final may be expanded to include one trailing horse and be raced at the distance of one and one eighth miles. All invited horses from the races listed below are required to pay the declaration fee to enter the race. Foreign-based invitees are required to pay an amount equal to the total of all nominating, sustaining and declaration payments.

Dead-Heat: Any horses finishing in a "Dead-Heat" for any position will be awarded an equal share of the total number of points for the positions involved in the "Dead-Heat".

TIE BREAKS:

First, the horse(s) with the most starts in the preliminary legs of this series shall receive preference; if after that tie-breaker a tie remains, then: The horse(s) with the highest total earnings to date in the current season as compiled by the U.S.T.A. shall have preference. Any horse entering a designated point earning series Open which does not fill and is not raced or is excluded in a top money winning format race will receive SEVEN (7) points towards qualifying for the Final, plus credit toward fulfilling the minimum number of starts requirement (see above) and toward tiebreaker "a" regarding eligibility for the finals. In the event eliminations are not necessary and the declared horses advance directly to the final of any series event or if the connections of a nominated horse choose to accept a bye into the final of an event rather than race, points shall not be awarded to those horses unless they are entered into an accompanying series Open. Any change of trainers made fewer than 30 days or within four starts of the date of this race will be reviewed by the sponsor and if not accepted, may result in refusal of entry. Sponsors reserve the right to amend conditions as deemed necessary without liability.

Rules: A minimum of seven (7) separate interests may be required in any event or the event may be cancelled. All starters are subject to the detention policy of the Host Track. The rules of the Host Track and its state Racing Commission along with the USTA shall govern unless otherwise specified in these conditions. These races are subject to the Stallion Restriction Condition (SRC) *see Meadowlands website for details*. Any horse nominated to any Meadowlands stakes/event must be in the care of an approved trainer by April 15, 2020 for any stake/event raced during the month of May and by May 15 for all other 2020 stakes/events. In addition, any owner who participates in a Meadowlands Stake or Early Closing event (with added money greater than \$25,000) with a trainer who has an outstanding Class 1, Class 2 or TC02 positive test having occurred on or after January 1, 2019 and under appeal in any jurisdiction will be declared ineligible to participate in any Meadowlands Stake or Early Closing event for 12 months following the conviction if such trainer is subsequently found guilty relating to the Class 1, Class 2 or TC02 positive test. Nominator also agrees that any horse paid into any Meadowlands stake/event may be required to be stabled for up to 14 days at an approved facility within a 150 mile radius of The Meadowlands or the Tioga or Vernon Downs stable area or an approved facility in a state that agrees to cooperate in an out of competition testing protocol by the date set by The Meadowlands for that stake/event for the purpose of out of competition testing. Failure to comply with these conditions may result in any agreement created by the acceptance of any stakes payment to be declared void at the discretion of The Meadowlands rendering the horse(s) in question ineligible to race in those stakes/events with no liability to The Meadowlands and no assurance of a refund of payments previously made to the stake/event in question. At the time of declaration, horses declared to race in these events must have a past performance line that meets the current qualifying standard for stakes and/or added money races at the Host Track. Any horse eligible via the point standings to race in the final of this event will be considered "Qualified to Race" in the final.

Notice: Failure to make any payment required by the conditions constitutes an automatic withdrawal from the event.

Racing Conditions: All events will be one heat at one mile. If more than 10 (or 12 on a one mile track) declare to start in any preliminary leg, the Host Track may adopt any of the methods of dividing the race then current in the rules and regulations.

Eligibility for Final: To start in any Final, horses must be declared for that race with the Racing Office by the time posted on the condition sheet. The maximum number of starters in the Final(s) shall equal the number of positions on the starting gate of the Host Track. The point leader(s) at the time of the draw for the final shall draw from post positions 1-6. To be guaranteed eligibility to race in the Final(s), a horse must start in a minimum of TWO (2) of the preliminary legs scheduled in their Series division.

In the event that the number of horses eligible as provided in these conditions declared into any final exceeds the maximum number specified by these conditions, a point system (listed below), based on the official order of finish: (1) at the Host Track for the applicable preliminary leg and (2) at the time the entry box for the Final is closed, will determine preference for the Final.

Point System

1st Place = 35 Points

2nd Place = 25 Points

3rd Place = 15 Points

4th Place = 10 Points

5th Place = 8 Points

6th Place = 6 Points

7th Place = 4 Points

8th Place = 2 Points

9th Place and all other starters = 1 Point

Dead-Heat: Any horses finishing in a "Dead-Heat" for any position will be awarded an equal share of the total number of points for the positions involved in the "Dead-Heat".

TIE BREAKS:

First, the horse(s) with the most starts in the preliminary legs of this series shall receive preference and if after that a tie remains, then: The horse(s) with the highest total earnings to date in the current season as compiled by the USTA shall have preference.

Any horse entering a designated point earning series event which does not fill and is not raced will receive SEVEN (7) points towards qualifying for the Final, plus credit for a start toward fulfilling any minimum number of starts requirement and toward tiebreaker "a" regarding eligibility for the finals. A horse scratched from an event, which is raced, will NOT receive credit or points toward meeting the starting requirements for the Final.

Starters in fewer than two legs: All horses must be declared for the Final by declaration time. Notwithstanding any of the above conditions requiring a minimum number of starts in series legs, in the event a Final fails to fill to the extent as described in the above condition, those with fewer than the minimum starts that declare will then be considered for inclusion in the Final. The highest point earners in this group shall have preference in being added to the field, and in the event of ties, the above clause(s) will be used. Horses must be credited with at least one start in the series to be eligible to the Final.

Money Division: Leg purses shall be left to the discretion of the Host Track. One-percent of the purse for the Final & Consolation will be awarded to each horse finishing sixth through last in the Final. The balance of the Final & Consolation purse shall be distributed 50% - 25% - 12% - 8% - 5%.

Disputes: All owners, trainers and drivers of horses nominated to this event must be accepted to participate at the Host Track or the nomination/entry may be denied without refund of previous payments. Any change of trainers made fewer than 30 days or within four starts of the date of this race will be reviewed by the sponsor and if not accepted, may result in refusal of entry. Sponsors reserve the right to amend conditions as deemed necessary without liability.

Rules: A minimum of seven (7) separate interests may be required in any event or the event may be cancelled. All starters are subject to the detention policy of the Host Track. The rules of the Host Track and its state Racing Commission along with the USTA shall govern unless otherwise specified in these conditions. These races are subject to the Stallion Restriction Condition (SRC) *see Meadowlands website for details*. Any horse nominated to any Meadowlands stakes/event must be in the care of an approved trainer by April 15, 2020 for any stake/event raced during the month of May and by May 15 for all other 2020 stakes/events. In addition, any owner who participates in a Meadowlands Stake or Early Closing event (with added money greater than \$25,000) with a trainer who has an outstanding Class 1, Class 2 or TC02 positive test having occurred on or after January 1, 2019 and under appeal in any jurisdiction will be declared ineligible to participate in any Meadowlands Stake or Early Closing event for 12 months following the conviction if such trainer is subsequently found guilty relating to the Class 1, Class 2 or TC02 positive test. Nominator also agrees that any horse paid into any Meadowlands stake/event may be required to be stabled for up to 14 days at an approved facility within a 150 mile radius of The Meadowlands or the Tioga or Vernon Downs stable area or an approved facility in a state that agrees to cooperate in an out of competition testing protocol by the date set by The Meadowlands for that stake/event for the purpose of out of competition testing. Failure to comply with these conditions may result in any agreement created by the acceptance of any stakes payment to be declared void at the discretion of The Meadowlands rendering the horse(s) in question ineligible to race in those stakes/events with no liability to The Meadowlands and no assurance of a refund of payments previously made to the stake/event in question. A nomination to these events is an agreement to the above terms and conditions.

STALLION RESTRICTION CONDITION

(EXCLUDED STALLIONS ARE LISTED BELOW)

THIS CONDITION APPLIES TO SIRES AND THEIR FOALS CONCEIVED WHEN THE SIRE IS FOUR YEARS OLD, IT DOES NOT APPLY TO SIRES OR THEIR FOALS IF THE FOAL IS CONCEIVED WHEN THE SIRE IS FIVE YEARS OLD OR OLDER.

Beginning with foals of 2018 and continuing thereafter, all foals conceived by a sire less than five years of age WILL NOT BE ELIGIBLE to be nominated to or race in any stakes in which this Stallion Restriction Condition (SRC) is in effect unless the sire is exempted from this condition by the Sponsors by meeting one or more of the following exemptions:

- (1) The Stallion serviced mares as a four-year-old and started a minimum of six pari-mutuel races from April 1 forward in its four-year-old racing season or;
- (2) The Stallion develops a condition while in training that prevents him from racing competitively in at least six pari-mutuel races in his four-year-old season and a licensed veterinarian of the Stallion Owner's choice ("Owner", which includes all registered owners at the time, as well as lessee(s) or managers) has certified to the Sponsor that in his/her opinion, the Stallion in question would be or was unfit to race competitively in at least six pari-mutuel races in its four-year-old season due to unsoundness or another serious medical condition. That certification must be in writing and accepted by the Sponsor in writing prior to the Stallion commercially servicing any mares. The Sponsor reserves the right to have the Stallion in question subsequently examined by licensed veterinarians on staff at a university veterinary school in proximity to the physical location of the Stallion for confirmation or rejection of the prior findings regarding the Stallion's fitness to race at age four. The confirmation or rejection by the university staff will be accepted as final regarding the eligibility of the progeny of the Stallion in question. The Sponsor shall bear the full expense of the university veterinary school examination of the Stallion and written certification or their opinion of the fitness of the Stallion in question. It is strongly advised that the above written acceptance by the Sponsor be received by the Owner of said Stallion prior to booking any mares to the Stallion in order that the eligibility of the Stallion's foals is determined for all affected parties. The Owner of the Stallion shall solely be responsible for notifying the Owner(s) of mares booked to breed to the Stallion as to the eligibility, or lack thereof, to any and all races affected by this SRC, or;
- (3) The Stallion did not start in at least six (6) pari-mutuel races in its three-year-old season, or;
- (4) The Stallion did not start after August 1 of its three-year-old season, or;
- (5) The Stallion did not earn more than \$500,000 in its three-year-old season (including any foreign earnings as calculated by the U.S.T.A.).

Any and all decisions of the Sponsor ("Sponsor" is defined as all entities conducting the race, any party that adds funds to the race, and the Racetrack where the race is conducted) as to the eligibility of a foal to race in any particular race shall be final and not subject to any appeal to the Sponsor, to any administrative agency or to any court of competent jurisdiction. By nominating and entering a horse to race in any race in which this SRC is a condition of the race, both the Owner of the nominated foal and the Stallion Owner hereby acknowledge and agree that any and all appeal rights in law or equity that such Owners may have with respect to the determination of the Sponsor are hereby irrevocably waived and terminated.

By nominating and entering a horse to race in any race which is subject to this SRC, both the Owner of the nominated foal and the Stallion Owner hereby shall indemnify and hold harmless the Sponsor and its officers, directors, employees, agents, and representatives against any loss, damage, expense (including reasonable attorney's fees and court costs) or other liability suffered or incurred by the indemnified party by reason of or related to or in connection with any determination of the Sponsor as to the eligibility of any of the subject foals to race. This indemnification applies to any successor owner of the nominated foal, to the breeder of the nominated foal, to the owner of the sire or dam of the nominated foal, or to any other party purporting to have an interest in the eligibility of the nominated foal.

The Sponsor reserves the right to amend any or all of the above conditions and exemptions as it deems necessary in its best business judgment.

The age of all nominated foals is subject to U.S.T.A. foaling date rules.
